WORK SUMMARY

Customer Sales Associate, 2016–present Terrain

- Supported Sales efforts and interfaced with outside sales associates.
- Provided flexible options to the customer based on product and service needs.
- Conducted all actions consistent with quality customer service, friendliness and the overall mission of the bank.
- Identified the root cause of customer concerns and recommended product and service solutions to ensure optimal customer experience.

Customer Sales Associate, 2012–2014 Circle K

- Ensured direct and marketer customers were in alignment throughout the buyback process to minimize revenue leaks.
- Responded to inquiries regarding the status of orders and resolved customer order difficulties.
- Tracked sales shipment, delivery, billing and backlog activities, and providing internal sales reports when necessary.
- Achieved a thorough knowledge of all products, services, warranties and maintenance issues.

Customer Sales Associate, 2014–2016 AAA East Central

- Partnered with other Lubricants Business Center support teams in support of total customer experience.
- Built strong customer relationships, loyalty, and retention through exceptional customer service that exceeded customer expectations.
- Performed customer administration requirements in support of the sales process.
- Managed cancel and rebill process to minimize the number of rebills, evaluating alternatives to find least expensive way to get the product to the customer.
