

# RICHARD MARSHALL

## PROFESSIONAL SUMMARY

Dedicated and compassionate Texas licensed nurse who has a strong clinical background with one of the state's largest trauma centers. Skilled in administering medications, patient care, and providing comprehensive nursing support in the field of emergency nursing. Excellent interpersonal skills and is able to collaborate and foster trust with patients, families, doctors, and healthcare professionals.

## WORK HISTORY

### EMERGENCY ROOM NURSE

January 2060 – Present

- Assessed and treated patients in high-pressure emergency room settings and prioritized patient care in accordance with condition severity and urgency.
- Administration of medications, the performance of diagnostic tests, and assisting with medical procedures with multidisciplinary healthcare professionals.

### TRAUMA NURSE

January 2058-December 2059

- Providing specialized care to trauma patients, from the initial assessment, monitoring, and discharge.
- Participating in trauma team activations and coordination with physicians and other healthcare professionals.
