OBJECTIVE

Seeking a challenging position as Acquisition Manager where my skills and knowledge will add value to the organization.

EXPERIENCE

Acquisition Manager | SkilTrek

2016 - Present

- Ensured that the procurement strategy chosen was achievable and in accordance with federal acquisition guidelines.
- Prepared and updated annual objectives, budgets, and schedules for assigned programs.
- Identified potential organizational structures best suited to execute the customer plan and improve the program implementation.
- Participated in the assessment of potential gaps in current programs for children and families, youth and adult programs.
- Drafted contractual modifications as required by government contracting officers.

Acquisition Manager | Linium

2014 - 2016

- Implemented and maintained a division land acquisition deal log and a tracking system.
- Prepared and delivered acquisition program management briefings and reported to the government and prime system contractors.
- Prepared acquisition strategy analyses and plans and presented their advantages and disadvantages to senior leadership.
- Performed a lead role in land acquisition negotiations and administered purchase documentation, financial analysis, and due diligence processes.
