## WORK EXPERIENCE

### Brand Manager, 2016 - Present

JetSuite

- Received and responded to all sales requests concerning products, promotions, and research.
- Developed innovative marketing plans, evaluating new commercial opportunities and determining development opportunities.
- Directed outside agencies and other suppliers in the development, and implementation of marketing strategies and promotions to ensure maximum value.
- Provided performance analytics on marketing program activities.
- Identified opportunities and development areas to drive continuous innovation and optimization of our professional marketing programs.

### Brand Manager, 2014 - 2016

Darden

- Developed strong relationships with various cross-functional areas.
- Developed objectives and strategies for assigned brands consistent with the corporate financial, volume, and shared goals.
- Conducted regular analysis.
- Provided recommendations on brand performance in sales, budgets, enrollments, customer satisfaction, and demographics.
- Developed and implemented winning brand strategies.
- Integrated marketing programs based on consumer and competitive analysis.
- Identified critical and high pay-off strategies to support the brand vision and 3/1 plan targets.

### Brand Manager, 2012 - 2014

Frutarom

- Provided appropriate assistance to internal groups on graphic design, copywriting, database marketing, and corporate sales.
- Managed professional budget.
- Conducted brand reviews and analyzed and tracked product line performance to identify product line improvement.
- Provided recommendations and expertise around opportunities to grow brand awareness and sales through professional promotions.
- Provided guidance to and executed sales training materials.
- Assisted in the preparation of brand reviews to internal management and sales presentations to major customers.
