CAREER OBJECTIVE

To secure a Compliance Specialist position with a successful, well-established organization that will enable me to grow professionally while contributing to the company's goals and objectives.

EMPLOYMENT

Compliance Specialist - CareStaff Partners

2016 – Present

- Worked with the Director of Compliance and Training and Property Supervisory personnel to develop action plans for noncompliant properties.
- Provided technical administrative and telephone support to ensure group benefit and human resources regulatory compliance on behalf of RJP clients.
- Ensured compliance by performing standardized audits and recommending new policies and procedures.
- Developed detailed project plans that include components such as charter, objectives, steps timing, deliverables.

Compliance Specialist - Getinge

2014 – 2016

- Participated in annual staff workshops on changes to regulations, Fair Housing workshops, and other in-service training determined to be appropriate by the Director of Compliance and Training.
- Maintained compliance database by entering and backing up data.
- Conducted training of various background and substance screening objectives to Human Resources, management, and business partners.
- Promptly reported any compliance-related concerns to the Senior HR Management team and worked through a suitable resolution.
