JOB OBJECTIVE

Seeking an exciting and challenging position as a Content Editor in a company where my skills and knowledge can be used to the fullest.

EMPLOYMENT HISTORY

Content Editor, 2016 - Present

Skyword

- Coordinated Content Management System access, training, and monitoring portal site communications to assure content production processes were efficiently executed.
- Created and implemented editorial calendars for effective creation and promotion of content.
- Proactively reviewed digital content and applied best practices for usability, search optimization and accessibility for users with disabilities.
- Acted as a key editorial contact for content partners and resources both internally and externally.

Content Editor, 2014 - 2016

Digital Break LLC

- Applied knowledge of grammar, language, and research to ensure content accuracy and quality.
- Maintained editorial continuity and consistency among multiple program-specific and corporate materials of varying product types.
- Ensured that content was consistent across products and was clear, friendly, accurate, concise and written with appropriate tone and voice.
- Used audience metrics/analytics to inform decisions on content assignments and content placement on the channel.

EDUCATION

Bachelor's Degree in
Communications, 2012
Sonoma State University, Rohnert
Park, CA

EMPLOYMENT HISTORY

Content Editor, 2012 - 2014
Novelty Media

- Tracked and analyzed traffic data to identify programming successes and trends and use that information to guide editorial decisions.
- Researched and wrote articles and other content for publication on EP products.
- Researched, wrote and edited content for the ETS corporate website and other digital media (emails, e-newsletters, banner ads, landing pages) as assigned by the supervisor.

SKILLS

- Wide experience in creating and producing corporate marketing communications and web content.
- Familiarity with internet search methodologies and integration of search optimization techniques into content strategy.
- Familiarity with classroom education and reading.
- Sound knowledge of photo production, aesthetics, and digital media.
- Outstanding knowledge and understanding of social media platforms and how they can be deployed in different scenarios.
- Deep knowledge of MS Excel, MS Word, Google Maps and Google Earth.
- Highly knowledgeable of the organizations, functions, and military hardware (weapons systems, equipment, etc.) of the DoD.
- Proficient in using Adobe Photoshop, Premier and Sound booth.
- Proficient in using web-based authoring systems.
- Immense ability to be flexible and work analytically in a problem-solving environment.
- Extreme ability to multi-task, prioritize, meet deadlines and manage content projects from planning to launch.
- Outstanding ability to prioritize jobs to ensure that departmental deadlines are met and service levels are achieved.
